# FAIR DINKUM BIKE TOURS

Good times and great trails from Cairns to Cape York

Make no mistake, Far North Queensland is a dirt biker's playground. From flowing forest single track to gnarly rainforest trails and endless white sandy beaches, the joint is heaven on a dirt knife. The only problem is, it's stuck all the way up north, which makes it a bugger to get to with your bike.

That problem is solved with Fair Dinkum Bike Tours, because all you need to do is pack your undies and socks, and jump on a plane. Dave will pick you and your mates up from Cairns airport, take you to his fully equipped workshop, chuck you on one of his fastidiously maintained, current model Suzuki DR-Z400 hire bikes, and lead you on the ride of lifetime through Far North Queensland.

From a one day blat through rainforest single

trails to a fully catered eight-day epic to Cape York, Fair Dinkum can tailor a ride to suit your requirements. All rides are accompanied by first aid-qualified lead and sweep riders, all of whom know the trails back to front. Longer rides utilise a 4WD support truck, decked out with tools, spares, fuel, food, water and camping facilities. You can also bring along your non-riding mate or missus as a passenger in the truck.

We recommend you tackle the historic CREB Track, followed by a beer and a bed at the equally historic Lion's Den Hotel, but make sure you're in the mood for plenty of river crossings!
